

David John Browne III

May 19, 1960 - May 9, 2019

Albany - David John Browne III, 58, died Thursday, May 9, 2019, at his sister's home in Rutland, Vermont.

David was a kind, funny, loving and special person who brought joy and happiness to his immediate and extended family, to their friends and colleagues and to anyone he knew.

Born in Albany, he was the son of the late David J. Browne and Marilyn Delehanty Browne. He graduated from Albany High School and was a longtime employee of the Warren, Washington & Albany Counties ARC until he retired in November, 2017. He loved helping people, reading comic books, doing word search puzzles, twirling tootsie pops while watching TV shows from the 70s' and 80s', challenging his family with trivia questions, and reading newspapers from around the world that friends and family would buy especially for him. Most of all, he loved spending time with his family, including annual vacations in Ogunquit, Maine and birthday celebrations. David was a longtime communicant of Blessed Sacrament Church.

David was the beloved son of the late David J. Browne, Jr and Marilyn Delehanty Browne; dearly loved brother of Paul Browne (Elaine), Carolyn Anderson (Karl), Kathleen Browne (David Tamasy) and Peter Browne (Eileen); cherished uncle of Conor and Daniel; David, Stephen, Elizabeth and Joseph; Kevin, Ryan, Katherine and Colin; and Anna; grandson of the late Rose Delehanty; nephew of John Delehanty and the late Angela Delehanty; and cousin of Joanne Touhey, Ellen Simon, Mary Beth Mulligan, Kathy Delehanty and Lisa Delehanty; dear friend of the late Jim and Joan McDonald; and was much loved by his extended family

“ I'm so sorry for your loss. The God of the Bible promises to wipe all tears from our eyes and do away with death (Rev 21:3,4). This scripture has given me comfort and I pray you receive comfort from knowing this also.

“ Time with David was etched into one's mind as his presence was indomitable. He was able to provide for many laughs and interesting conversations, and on a professional level, he was able to teach me many aspects of interpersonal relationships, some of which I thought I already knew. Thank you all for the support you showed him and a special shout-out to my colleagues at RARC for helping him on that part of his journey he was able to share with you.
