“ I passed quite a few hours talking to Frank on the post office corner in Saratoga Springs. I really enjoyed his stories, his take on life and his approach to politics. He was a genuinely likable guy with a great sense of humour.

My deepest sympathies to his family and friends. He was a great guy.

I just learned of his passing yesterday because I haven't been attending the post office gatherings or I certainly would have come out to pay my respects to a truly wonderful person.

“ My sincere condolences for your lost, may the words at Isaiah 25:8 bring you comfort during this time "He will swallow up death forever, And the Sovereign Lord Jehovah will wipe away the tears from all faces."

“ We were saddened to learn of Frank’s passing. We met Frank (or “Francesco” as he often referred to himself) during the Occupy Albany demonstrations that began in 2011. We quickly learned that his political and social concerns were accompanied by a ready wit — and usually by a bright smile — and that his environmental concerns were exemplified by his use of a bicycle for personal transportation.

We are posting a photo taken during the 2/4/12 General Assembly of Occupy Albany, meeting on the Empire State Plaza Concourse, in which Frank (lower right) is clearly identifiable from behind.

“ We will never forget Frank and his friendship. His sense of humor, his delicious kale salad, his willingness to always show up, his dedication to family, friends, and the future of the world. He was a very important friend to Peter and will be missed greatly. Keep in touch Ellen, and thanks for the wonderful gathering today!

“ Dearest Ellen,

So many lovely memories of our time in Albany are associated with Frank and you! I'm deeply touched by the wonderful photos that capture the richness of his life, love and gifts to his family and others. His cap and bicycle reminded me of Jim... You're in my thoughts. “ I'm feeling very sad to learn of Frank's death. I've had the pleasure of knowing him through his participation with Occupy Albany, Capital District Transition Network, and especially, People of Albany United for Safe Energy (PAUSE). It's hard to imagine Albany without him and his cheery nature, hard work, optimism, passion, creativity, thoughtfulness, and kindness. He often bought me a tea at a group meeting, or offered me a ride home. I think my last memory of him is running into him at the Co-op and him sharing photos of his grandchild. He was quite proud of that. Thank you Frank for being such an awesome guy. You made a difference!!!!

“ My sympathies to the entire Sullivan family. Although it's been many years since the Sullivans left Glynn St, every time I saw Frank about town on a bike or doing some community service, it brought back a flood of good memories.  
My thoughts & prayers are with you.

“ I was lucky enough to work with and for Frank. He was extremely fair. He always put the people he served first. His low tolerance for incompetence helped keep the consumers of 700 South Pearl both healthy and happy. He left a very high standard which will be hard to maintain. Thanks for the great food and laughter .i loved the memorial that was created. I learned more about my friend .
