“ It has been many years since I have seen Jim and I am so sad to hear this news. There are so many happy memories though that will stay with me forever. One that pops in my head is spending the day with friends in the backyard pool and his Mom bringing popsicles out to us. Jim was always a gentleman and a good friend with a big smile on his face. My thoughts and prayers are with his loved ones. I will always remember him.

“ Though our paths crossed less frequently over the years than in the long-ago past, it was always a pleasure to be in Jimmy’s company.

In the early and mid ‘70s Jimmy and I not only shared apartments (and worked on developing our cooking skills, from which we survived with no lasting ill effects) first on Glenmont Court, then in Westville, but spent innumerable hours enjoying cars; there were local sports car events as well as races at places like Lime Rock Park and Thompson (Connecticut), Bryar (New Hampshire) and Bridgehampton (Long Island). I couldn’t begin to tally the hours we spent building Volkswagen-powered mini-modifieds at Bob Hackel’s shop in Colonie, and all those unforgettable Saturday nights at Lebanon Valley. Jimmy was on the scene when Bob and the #97 won the biggest annual mini-stock race at Pocono. I’ve even got a few fuzzy recollections when we weren’t in a garage somewhere but passing an epically sociable evening at Private Bennie’s, or maybe the Mad Hatter.

Regardless of when we last saw each other, it was always reassuring to know Jimmy was there and always had the time and the temperament to help a friend in whatever way was needed.

My memories of those halcyon days are indelible, and Jimmy will always be a part of them. Godspeed, old friend.

“ Eileen, Elizabeth and James. I am so sorry to hear this. I was lucky enough to work for the family for two years watching Elizabeth and James when they were younger. You all felt like family to me. I always tell my kids that every police officer should strive to be like Jim. I was so lucky to have the privilege to know him.
