“ It saddens me that I cannot be there in person to grieve with my family. I wish I could just hug my grandma right now. I am with you always.

“ My heart aches for the loss of Mr. McEnany. He was a great friend for many, many years. He was a great man and forever will be missed.

“ My Grandpa has left behind a lifetime of love, wisdom and good memories. He will be sorely missed. Jimmy Mac was there for me when my own father didn't bother. He was respected by everyone who ever met him. He always gave me solid advice and wise counsel during my trials and tribulations. I made many mistakes and then I made some more. My grandpa never gave up on me. He always believed in me even when I could not believe in myself. He taught me the measure of a man is how he takes care of his family. Anyone can work and pay bills but not many can balance it with laughter and love. I do not have a large family or even a large group of friends. Each person in my circle is very important to me. None more so than my Grandpa! This is is one of the most painful losses I have ever experienced. Even though I have had ample time to prepare. How can one truly prepare for the inevitability and finality of losing a loved one? Thank you for always being there for me Pop. Thank you for always giving me the tough love I need. Thank you for showing me the path. I will not let you down. I will honor your memory and raise a beautiful family. I can only hope to be half the Grandpa that you are. You are the greatest man I will ever truly know... Goodbye Jimmy. You have worked long and hard and left your loving mark upon this world. Rest now and let us carry on with your memory in our hearts forever! I will always love you Pappy.

“ There are no words to describe the loss of this man. James T. McEnaney has been a calm in many a storm filled times in my life. Jimmy took on the daunting job of being my father, and that was no easy task! He always rode the waves of our lives like a champ. I love you Jimmy and will miss you greatly. May you find the pain free peace that you so deserve. Mom I'm so sorry I can't be there for you!

“ My husband Rob and I send our heart felt condolence to the McEnaney Family. Jim was always a kind man and eager to help anyone learn the ropes at the DEC camp grounds. His strength and kindness will live on in his family. May you all find peace in these rough days ahead.
