“ After a couple years of not receiving a Christmas card we reluctantly looked up an obituary and found what we were wishing we would not. Jane was such a beautiful lady inside and out. Her smile could light up a room and her laugh was infectious. From the first time I met her I felt I had known her all my life. She had the warmest and kindest personality that made you feel like you were home and part of her family. Joe and I didn't get back to Albany very often in the last 20 years but one of the last times we were there we stopped by to visit her. It was as if we had never left. Jane was ageless. We laughed and talked about Joe and Rod's younger years. We got introduced to her beloved cats. We talked about her family and ours and said goodbye until the next time. So Jane until we meet again , love you. Our condolences to the family and love to you all.
