“ Judy was my best friend for many years. She was my rock in so many shifting tides and always encouraged me to be a better man. She taught me many things about love and life and just being a more fabulous human being in general. We had SO many good times from Lake George to Maine, to Ocean City, Newport... etc. We laughed, we cried, we laughed some more and we always looked after one another. What a fantastic person and a true friend she was. I love you, Judy! Forever and always! See you on the other side, sister!
