“ Sorry that I was not able to be with the Frazier family yesterday for Tom's funeral service.

If I have done this correctly attached is a team picture from the summer of 1977 when Tom, Bob Woodside and myself coached a team together - no trophy, but great fun. This was one of the earlier activities in our developing friendship. Combined with Hamagrael Grade School and many other joint family activities our friendship grew and was one that I always enjoyed. That summer he introduced me to the game of golf. Tom, Grampa Stan and I (with a set used clubs and a bag from Stan's cellar) treated me to my first game of golf - again, no trophy's but a lifetime of fun. Please count me in on your loss and know that my thoughts are with everyone. Don Roberts

“ Tom,
We spoke this time last year to catch up. That is when you told me you were fighting and winning . We were going to get together when the world got better, it hasn't happened yet. We will see each other again and have a long time to catch up. Until then, I will always miss you and think a lot about you. You are a true friend and mentor.

“ I went to St. Margaret Mary's with Tom and then off to VI with him. Lost contact after high school because I was out of state. I have such fond memories of that sweet redhead! He will be missed. Condolences to his family.

“ Our family will miss Tom!
Over the past few years we've had the wonderful privilege of enjoying dinners and even a holiday with Tom and Nancy! What a great laugh he had. He just loved listening to our stories and enjoying the food and drink. We wish we had more time...but the good lord wanted him in heaven. God bless you Tom.

“ Tom was always so kind and funny! He always spoke of his children and how proud he was of them. Whenever he would come into the office or call office he would always ask how my family was, family will always mean the world to him. I will miss him so much and my heart goes out to his family.

Warm Regards,

“ Tom and I go back to our high school days at V.I.
We worked together at Central Markets at night bagging groceries.
We were both Navy veterans and were homeported together in Long Beach Calif.
We both served in Vietnam together on Patrol boats and Minesweepers.
My wife and I are godparents to his second son.
I was best man at his marriage to Nancy.
We have an almost 60 year friendship and I will miss Tom alot.
Rest in peace old buddy
As we say in the Navy...
"Smooth sailing and calm seas to eternity".
