

Trooper Michael J. Anson

December 2, 1961 - January 2, 2018

Albany-Trooper Michael J. Anson, 56, passed away on January 2nd, 2018, from an illness stemming from his assignment at the World Trade Center site following the terrorist attack on September 11, 2001.

Mike was sworn into service with the New York State Police September 22, 1986 and served with them as a trooper for over 31 years. Mike served his entire career in Troop G. Following the events of September 11th, Mike was assigned to New York City to aid in the search and recovery efforts. He was most recently stationed at SP New Scotland. Mike was previously assigned to SP East Greenbush, SP Brunswick, and SP Schodack, where he served as a school resource officer from 2003 -2010 in the Averill Park and Brunswick School Districts. In addition, Mike served as an Academy Training Officer at the NYSP Basic School for multiple classes from 2012-2017.

Born in Albany, Mike was the son of the late Gerald G. Anson and Frances M. Frederick Anson. Michael graduated from Colonie High School in 1980, and then Hudson Valley Community College, before he went on to the State Police academy.

Michael was a beloved son, husband, father, brother, friend and Trooper. He dedicated his life to helping others, both on the job, and off, and could always be counted on to help out a friend or neighbor in need. He truly believed that if you do what you know in your heart to be right, everything else will fall into place. He lived, and raised his children, by this motto.

Michael had many hobbies and interests, and truly lived life to its fullest. For many years, he played baseball, and later softball, and enjoyed coaching his daughter's softball teams where he was able to teach his passion and knowledge of the game. He was an avid fan

of classic country music, as well as rock, particularly The Ramones. He also enjoyed bowling, golfing, hunting and fishing with his sons, spending time camping, and more recently on his pontoon boat, and most of all spending time with his family.

Mike's love and dedication to being a Trooper was only surpassed by that which he gave to his family, specifically his "core four" as he liked to call them.

He was the high school sweetheart, and loving husband for almost 30 years of Suzanne M. Mabeus Anson; revered father of Mikala E. Anson, Conor G. Anson, and Marc R. Anson; brother of Gerald G. Anson (Carol), Joseph L. Anson (Jody), George E. Anson (Pamela) and the late Roy R. Anson; brother-in-law of Michele and Jerry Daby and Karl and Martha Mabeus; son-in-law of the late Richard and Claire Cote Mabeus; nephew of Jeanne Cote; life-long best friend of Maureen Cole; uncle of Kacie, Adam, Lindsey, Kimberly, Shannon, Derek, Melissa, Taylor, Lauren, Olivia, Isabelle and Andrew; Michael is survived by his two beloved dogs, Samantha and Bubba, and many friends, cousins and law enforcement colleagues.

The family would like to extend a special thank you to the New York State Police, and Town of Colonie Police Department for their unending support to them in this most devastating time.

Relatives, friends, and fellow Law Enforcement Colleagues are invited to visit with Michael's family Monday, January 8, 2018 4:00 to 8:00 pm in Siena College's Alumni Recreation Center (ARC).

Funeral services Tuesday, January 9, 2018 at 11:00 am in Siena College's ARC where his Funeral Mass will be celebrated.

“ I recently graduated the NYSP Academy where Trooper Anson was one of my session Academy Training Officers. He was my favorite face to see throughout the 6 month Academy as he would always have an encouraging word to share or always take time to stop and see how WE were doing. He was an encouraging father figure to all of us during what was a challenging time in our lives. I will never forget my interactions with him as he took time to get to know me and encourage me. I am so sorry for the terrible loss you are experiencing and I am lifting Trooper Anson and your family up in my prayers daily. He was someone I greatly admired and someone I constantly thought, "Yes, I'd like to a Trooper like Trooper Anson someday." What a selfless sacrifice he made to help others his entire life. What a tremendous legacy and a life well lived. May God Bless you and your family now and always. It was truly an honor to know Trooper Anson.

“ To the Anson family,
Please accept my sincere sympathy for your loss. The one constant memory I have of Mike is his big smile and friendly greeting whenever he was picking up one of the kids from Forest Park. He made such a difference wherever he was.

“ I went to school with Mike starting with West Albany Elementary School through Colonie HS graduation. Always, always an incredible guy. Even if we saw each once a year or once every ten years, he always made time for small talk about our younger days. Looking at the tribute video brought me smiles - for the infectious smile he always had; yet sadness for leaving this world so young. My prayers are with the entire Anson family. Mike was an inspiration. God Bless

“ Sue and family,
I am stunned and saddened to learn the news of Mike's passing. My condolences and prayers to all. We must not ever forget the tragic events of 9-1-1 and its aftermath.

My family members and I were very fond of Mike and that is an understatement. His upbeat attitude and personality were infectious. As a young teenager and adult, to be in the moment with him was so much fun. No one could weave a tale or story like Mike and its conclusion inevitably brought joy and laughter. I'm sure his fellow State Trooper colleagues can attest to that as well.

So many teenage and twenty-something memories with him; working at Platt's, his summer supervisory role with Jim Carona at Parks&Rec (Sand Creek), basketball, wifle ball, the music, the dancing, and the concerts. Time marches on and people go in different directions and unfortunately lose track of one another, but the bond of friendship from that moment in time still remains forever.
Mike, you touched alot of hearts, including mine.

“ Dear Sue and Family- I was so sad to hear about Mike's passing. He was such a true friend and fun loving person, always laughing and joking. I still remember the party's we had at Colonie East playing the Ramone's and jumping on each other. He loved that so much. Makes me laugh. You should be very proud of his service and sacrifice and we'll all miss him very much.

“ A hero has fallen. Mike was a genuine hero who answered the call of duty when the nation burned. His valor and honor will not be forgotten. We will see him again when we get to the other side, perhaps then we can "hitch a ride to Rockaway Beach".
Until then we can be thankful to have known him.

“ To the Family of Trooper Michael J. Anson
We are all going to miss Mike, and my condolences for your loss, as Mike was an inspiration to his career, family and friends.
We had the opportunity grow up together in the community and to have Mike with us for 56 years, but taken from us all too young.
Mike you are a superb warrior, devoted husband, father, son, law enforcement brother, and a child of Christ.
You gave your life to help others, your selfless service, courageous in every endeavor. Mike you are a true Hero, you made the "Ultimate Sacrifice".
Sue and family, you are surrounded by a community of law enforcement professionals, who are waiting with open arms to help you. Take advantage of that opportunity if needed.
I ask that the Heavenly Father be with you all in your time of need to ease your heavy hearts, bless you and to be with you and Mike to comfort and guide you during this hard time.
Mike, I shall never forget you my dear friend and Law Enforcement Brother, until we meet again, blue skies and fair winds.
"Trooper Michael J. Anson maybe gone but will never be forgotten"

“ Dear Sue and family,
I was Mike's Captain for a number of years in Troop G, Zone 1. I always enjoyed seeing him because of his positive attitude and fun spirit. He was one of the best! Having retired over 8 years ago, I hadn't see him for several years until I had occasion to run into him several months ago. He told me he had cancer. Once again he impressed me by his positive attitude about being sick and his strength of character. I'm glad I got to see him that day. Mike serves as an inspiration to us all. I pray that you and your family will be comforted by the memory of having him in your life.
Sincerely,

Mike truly loved each of you with his whole heart, as we shared family talks for years riding the roads of Rensselaer County on many midnight shifts. I will cherish the times we shared together, and will always remember his laugh and humor as we did the job. It was an honor to call Mike my friend and my brother.
