“ Very sorry to hear about Al's passing. He was a nice man very devoted to his family. My late father was also fond of him. I wish the family peace and my thoughts and prayers are with you at such a difficult time.

“ So sad to learn of Al's passing. I had the pleasure of working in the APD Radio Room with Al for many years and when I returned to Albany as an officer. A great guy and big loss. May he rest peacefully through eternity reunited with Kathy. Thanks fir everything Scrubber!

“ *My deepest sympathy to you children and grandchildren of Alan... My heart aches for you and my love and prayers are with you.....*

*As you may know your father and I were the best of friends in our teenage years and I was the one that introduced your dad to your mom, my sister..... They often thanked me for that and for me it was a blessing that they met and fell in love.... I will miss your dad and his wonderful humor and also as my friend..... We hadn't talked for a while but i did call him more than a few times to say hi.... It always brought him joy and me as well... We reminisced every time we spoke and shared many a laugh and sometimes our sorrow of missing the love of our life..... I am sorrow to say I won't be making the service because of medical problems I am having but the doctors assure me I will be fine in time..... Again my love to you, Uncle Rick.....*
