“ *I first met Sandy and Maggie almost 30 years ago. He was already retired and since his name was Alexander, I always called him Al. By the time I was corrected, I was so stuck on Al that it took me years before I could start calling him Sandy! I always enjoyed our friendship, our phone calls, our annual get togethers- usually with Maggie too. I was so happy when they moved out west to Colorado. Lucky them! God's country. Rest in peace my friend.*
