My heartfelt condolences go out to all of you. I enjoyed my time with your mom in New Smyrna Beach. She always looked forward to your visits or phone calls while she was there. She was a very lucky lady to have all of you to take care of her.

“ Dear Catherine, Christine, Mary, and Family,
Larry and I were saddened hearing of your mom's passing. She was a lovely woman with a sweet disposition, and fun sense of humor. Being neighbors all these years, we shared many adventures together. Once our joint tree came down in a storm. On your house and our garage. Though it was picturesque and I had so loved it, your mom, and I decided to take the rest down, not wanting further damage and grateful that no one was hurt in that event. We also visited with her at her beautiful rooms at the Beverwyck, she seemed so happy there. Larry and I had hoped to visit with you today and are so sorry not to be able to come. We have been hosting and helping an out of town guest, who has Parkinson's disease and it is very difficult . He has come to depend on us and is not to able to get around by himself. I am so sorry to miss you. We would like to make a donation in her name to either St. Peter's Nursing and Rehabilitation Center, or AARP. Much Love to you and your family at this sad time.
