“ I had a great time visiting you in 2013 and 2014 when I came out with my sisters to visit and meet all my cousins in the New York area. We had a great time getting to know everyone, taking pictures, and having meals together. Rest in peace my dear. You have lived a good life! “ I just have to say your Mom was so amazing she welcomed everyone to her home and loved going there it was great to have such a wonderful time visiting everyone since we were neighbors and growing up together and how wonderful your whole family was to everyone especially your Mom I missed that after your family moved away the neighbor hood had changed but remember your Mom is still watching over her beautiful family just like your Dad but now they both are together again but they are Angels now and still loving their family but in a different way you are so blessed to have the parents that you had. 🙏🙏🙏❤️
