“ Dear Kim, Tim, Brian, Davina and Alicia and your families,
I was so saddened with reading about your heartbreaking loss in this mornings paper. To have known Alice was to love Alice. She left a mark on everyone she met. I have very fond memories of her and your family. If you attended a gathering of any sort, and Alice was there, you were sure to have a wonderful, fun experience with fond lasting memories. She was the rock of the family and a TRUE friend to many. I lost my mother a little over a year ago and am still am heart-broken..All of you will be in my thoughts during your healing process...Fondly and with love
