“ Liz, Tony, David, Brian and Family: I just heard of the passing of your mom and am so sorry. She was a great woman and a good friend to Mary and I. We have fond memories of her and Tony either at a Columbus Day function at the IBS or an Appellate Division outing, namely the Anthony V. Cardona Memorial Golf Outing. Your dad was like a brother to me and I still miss him so much. Aline always had a smile and we had many laughs together. For those of you who have not seen the album I put together honoring your dad, I hope someday I can share it with you, there are many pictures with mom and dad and even some of you guys with the grandchildren. We will keep all of you in our prayers and may God keep you safe and healthy.
