

Alishah A. Premji PharmD

May 22, 1992 - March 21, 2024

Alishah A. Premji , age 31, passed away on March 21, 2024. She was a beloved daughter, sister, aunt, niece, and dear friend who will be deeply missed by all who had the pleasure of knowing her.

Alishah was born on May 22, 1992 in Albany, NY. She is survived by her mother Azmina Premji, father Amin Premji, sister Aliyah (Joshua) Lyman, and nephews Noah and Isaac Lyman, as well as many aunts, uncles, and cousins. Alishah spent most of her years in Albany, NY. She went on to attend the University at Buffalo, where she studied Biology, and later attended Albany College of Pharmacy and Health Sciences, where she became a Pharmacist.

Alishah's beautiful smile and loving personality could brighten up a room. She always put a smile on people's faces, and in her hugs there was so much comfort. She had a contagious laugh that warmed the hearts of all who heard it. Alishah was the best auntie to her nephews Noah and Isaac, she always enjoyed spending time with them; she was so proud to be their Masi (aunt), she loved them immensely, and they will continue to love her just as much.

Alishah was funny, supportive, and was always there to offer guidance and encouragement. She always accepted people as they were and let them be themselves.

In her free time, she enjoyed traveling, shopping, working out, reading, going on adventures, and spending time with her nephews. Alishah was always eager to share her knowledge and enthusiasm with others.

Alishah's memory will live on, and bring a smile to all those who came across such a beautiful soul. Alishah touched the lives of so many. We may have lost a dear loved one, but heaven gained another angel.
