Well usually alley girl the thought of you brings a smile to our faces and a warm feeling in our hearts, because of something wonderful that you had said or did, but today the thought of you is Breaking My Heart in two because you're gone. You opened your wings of love and flew away way too soon to a place where we can't go for now , we will not hear y

your Allie girl laugh for now, but just maybe if we open our hearts we may hear the flattering of your angel wings all around. We will miss you so much until we meet again. Have fun flying about with the angels with your amazing wings of love. I miss you already Allie girl love ya thanks for always being there for me whenever I needed you to be. You were a true treasure to this world, your children and all of us who were blessed to have our paths crossed with yours are all the better for it, thank you our girl. Stay golden my friend I know we will meet again.

what a beautiful baby, little girl she was...i enjoyed getting her comments in my facebook, which i will miss. Allie, is a beautiful being, and i saw how feisty she was with some of the people that said some not nice things about her and her gift, which she made comments of, this is a part of her i liked and admired. A beautiful woman, who still is beautiful today!!!

Love this video of her...

“ *She was a Great Friend, A wonderful Medium, and a Earthly Angel for many people all around the World. I meet her on a Radio Station, where we all had Shows...We attended each others Shows and we cherished our Friendship for over 12 years or more. I will Love her forever and she shall be sorely missed. She always talked about her Kids and then when her grandbaby came, she spoke of that Child all the time. I'm sorry for your Loss and you all shall remain in my Prayers.*

What a true lovely soul. I will never forget her sass. She read for me one time and at that point in my life I truly had my head up my ass and she had no problem telling me to get it out of there...It was with love. Thank you beauty. I pray you rest in peace but selfishly I hope we have not heard the last of Chatty Cathy of the dead! Much love sassy girl!

“ I wish I had words for what's in my heart and mind. Allie is a gem and her memory will be cherished. She left way too soon. I will never forget our chats, her words and how in those early days of our friendship she encouraged me and believed in me more than I believed in myself. My deepest and most heartfelt condolences to Cristina, Claudio, Wayne and sweet little Sophia. My thoughts and prayers are with during this difficult time. <3
