

Amelia Lennon Espinosa

March 29, 2014 - April 28, 2014

Amelia Lennon Espinosa passed peacefully in the arms of her mother on Monday, April 28, 2014. Amelia was born on March 29th at 2:45 AM. During her brief lifetime, Amelia touched the lives of many and was loved deeply by family and friends. Every day with Amelia was a true blessing and all were impressed by her strength and tenacity for life.

Amelia was born to Joseph Espinosa and Kathryn Connell-Espinosa of Coeymans. Her paternal grandparents are Henry and Margaret Espinosa of Ravena, and Eugene and Sharron Connell of Fort Ann. She is also survived by many loving aunts, uncles, cousins, wonderful family friends, and Charlie the family dog.

Amelia gave us a lifetime of love in one short month and we will always feel both blessed and honored to have been her parents and to have had the opportunity to love her unconditionally. We cannot express our immense appreciation and thanks to our amazing family and friends and all those that have kept our family in your thoughts and prayers. It is because of the immense love, prayers and support provided by all that Amelia was able to spend this time with her family.

We are forever grateful to the medical and nursing staff in the NICU at Albany Medical Center. They provided impeccable care and showed compassion that will not be forgotten.

In Lieu of flowers, we would be honored if you would support the Journeys Pediatric Palliative Care Program at Albany Medical Center or Community Hospice, as both organizations supported us greatly in preparation for and during Amelia's brief life.

FE

“ Kathryn and Joe,

Thank you for allowing the Journeys Team at Albany Med. to be a part of your family's life as you waited for Amelia to be born and during her time with you. She was given the very best of parents. I will forever remember my conversations with both of you that told me what a lucky little girl she is to have you as her mom and dad. Amelia is beautiful and I am so grateful that you got to spend time with her outside of the hospital as a family. You will all remain in my thoughts. I know that your love for her is endless and that she is your forever angel...

*Warmly,
Felicia*
