“ To the family of Mrs. Anita Dyer,

I had a friendship with your loved one for over fifty years and have many happy memories of the years past.

Mrs. Dyer was a compassionate person who understood the human condition and was always willing to extend her love to anyone who approached her. Whether it be opening the door to her home, providing emotional support through a struggle or simply radiating her positive attitude to those around her, she was a blessing to have present.

I know that you are all going through a difficult time, however, be comforted in knowing that you had such a wonderful person in your presence during all of these years past.

It will also be hard for me not to hear that familiar voice on the telephone and know that on the other end was a dear friend. However, I am left with the memories which will forever make me grateful that during my lifetime my path met up with Mrs. Anita Dyer.

God bless you all as you go through this hard time.

In His name,

William Lassiter

“ My aunt Anita (Titi Anita) was by far always my favourite aunt, notwithstanding that for most of my youth and adult life, we were separated by a mighty ocean. Whenever I spoke to her on the phone, her sweet and melodic voice would conjure up memories of my childhood and the very happy times I had with all my Dyer cousins - Charlie, Francis and Arturito. I was only 7 years old when the Dyers left for the USA, but distance was no problem as we always had you all in our hearts. For my parents, Hector and Isabel, Anita was the sister they never had and her name was always on their lips. Anita always came across as a a sweet loving lady, facing life's problems with fortitude and with a smile. Her family was always the most important thing in her life and the long illness of her beloved Rosa must have had a telling effect on her - so much so that her heart must have decided not to leave her alone on her last journey and accompany her to Heaven. A life lived to the fullest with joy! May she rest in peace.

With all our love

Manolito, Lilian and our family

PS How we wish we could be with you all in this very difficult times.
