*Betty and Family,
I am so sorry to hear of your terrible loss. I did not know him, but if he was anything like his mother, he was a very special young man. Take comfort in the fact he is now in the Father's arms and protected from all pain. My thoughts and prayers are with you and your family.*

Betty Ann, I don't even know what to say. Even though we expect to loose our parents at some point it's so hard when we loose them. I cannot even imagine loosing one of my sons. I am sooooo very sorry. My heart aches for you, my dear old friend. Please know I am praying for you to deal as best you can, and find His Peace in your heart, somehow. Celebrate the life of your son, for he was, and IS truly remarkable. Even though you can't see him, he is with you. Lean on him. Both of HIMS. I love you my Sister. Geri

Betty - I wish I could say something that would ease the pain of this loss for you and your family, but I know there are no words that would do that. I hope that the good memories you have of time with Andrew, and knowing that he is not in any pain will give you peace as you walk this difficult road. Know my thoughts and prayers are with you.
