“ *Your mother helped me with baby Lila when Frankie was in a wheel chair. She held Lila Lourdes while I got Shane and Franny ready for school. After Frankie passed away, she continued to come over and visit with the children and help with Lila. I cherished her energy. I respected her faith. I admired her family values.*

She must be so happy to be with her soul mate once again.

“ While Angela Haggerty, your dearest Mother, has been welcomed into heaven by her beloved Bob, I truly know that her spirit shines so brightly right here with all of us. The happiness that her presence on earth brought to everyone who knew her is her eternal gift to all . Your mother was truly one of a kind, and will remain a legend of love, kindness, and goodness on this earth. Personally, last night I was reflecting on a treasured Birthday note that I received from Ann Haggerty five years ago. Later in the evening, I opened a random book and to my surprise, I found two different notes from her. After reading these messages, I said a prayer of thanks to your Mother. For I truly believe that Angela Haggerty was a Saint on earth as She is in heaven. Her life is the story of a woman whose unconditional love touched everyone in her family and far beyond. I am so thankful that I have been blessed to know your Mother. As her love continues to shine on YOU throughout each day, may your Hearts be Happy. For You know that the unbeatable team, Ann and Bob, are together, gazing proudly on all of You, and blessing your lives with their love forever.
