“ Anne's many friends from Le Moyne are saddened by this news. I will inscribe Anne's name in the book in the Panasci Chapel. As many have said, I will always remember Anne laughing, surrounded by friends. All of us at Le Moyne are keeping the family in our prayers.

“ *Laughter is what I remember most about Annie. She was so much fun. As a young woman she first worked at St. Catherine's in the day treatment program in the late 70s and moved right up over the years. I enjoyed working with her, sharing secret jokes and spending time throughout the years visiting and laughing.*

“ I met Anne when she was a little girl .I was impressed with her sweetness & maturity.I included her on a few memorable adventures with my little sister and the little girl that I was tutoring. Though Anne was not much older than the others, she felt more like a compatriot on these outings. She obviously carried on with being an advocate for children in her career. So sorry that she had such a long battle with cancer but the times I have run into her she was always optimistic .May she RIP.

“ I am so very sorry to learn that Anne has passed away after a brave battle with cancer. I had the pleasure of knowing Anne when we were young girls as her Mom was good friends with Marge Levey. Our mothers took us out to lunch at Keelers in downtown Albany when we started at VI high school. I always enjoyed Anne and am so sad for her family and friends that she has left this life too soon. RIP Anne.

“ I was newly engaged to John Haluska, who has 3 brothers and Anne 8 years younger than me was visiting John's family in Milton along with her 4 brothers. The boys were being boys so Anne and I decided to go for a walk where we discovered a penny candy shop and bought a boatload of candy. Anne had her love of "dessert" even then. Friends from that day forward. I will miss her joyous, infectious laugh.
