“ Dear Bob and family,

God be with you as you mourn the loss of Anne in this life.

You have been our friends and neighbors for many decades. Thank you.

We recall you told us once that when you moved to your home, Collins Place was but a dirt road.

That was before the days of Monsignor Kelly and St Catherine's.

“ To The Quirk Family (especially my adopted family Jim, Jenny, Steven, Thomas),
I usually am never at loss for words but I am right now. I am so very sorry for the loss of your mom. I had the opportunity to meet her a few times and know she was a very nice lady. I know that you will miss her every day but she really will live on in your hearts and memories. Please if I can do anything to help you through this difficult time please don't hesitate to call me. This comes with all our Love. Shane and Carol Langdon

“ I was very sorry to hear of Anne's passing. I worked with her during the Pre-K days. She worked at Sayles Hall and I was the secretary at the Schenectady site. She sort of took me under her wing. We exchanged Christmas cards up until two years ago and when I didn't receive one from her , I was afraid something had happened. She was a wonderful lady and it was a privilege to know her. “ One of my all time favorites.....a wonderful lady with a great sense of humor...who was not afraid to bust even when she hit her 90's. I love her and will always...

My thoughts are with Bob and all the "kids". See you on Friday.

The Family Matriarch.....who carried the McArdle torch for so long.....she will be missed, but there will be a great reunion in heaven with the rest of the family. Loved her.

So many great memories and want to give my love and prayers to all of the family.

Anne and her family have been close friends with our family for over 70 years. Many occasions were spent enjoying holidays, vacations, or just family accomplishments. Her personality and Irish humor, and songs, will be greatly missed. We all should be so lucky to have had a life like Anne's. Dennis & Donna O'Shaughnessy and family.
