“ Dear Pam & Family,

I am really sadden to hear about Tony's passing. Tony was my first real mentor out of college. I'll never forget the time he spent with me. He really had a great way of connecting, leading and motivating – certainly one of kind! He truly was the gold standard and I'm sure an even better husband and father.

My thoughts are with you and your family during this tough time.

“ Pam, Michael, Chris and Jen
I am so saddened of Anthony's passing. I am more devastated I am not able to be there despite trying hard circumstances prevented me making it up. Anthony was my idol growing up I chose my middle name after him. its hard to choose a favorite memory because every moment ,every visit, any time spent together was a treasure and a blessing. Like My Uncle Tony (Anthony's Dad) the likes of This loving caring and gentle man this world will never see again. Lord you gained a Titan and for now left us all heartbroken in a lesser place without Him. Pam and Anthony are names that just go together. I Love you all and all my prayers are with you. God bless you Anthony I always have and always will Love you. Cousin Johnny

“ To Pam / Family, I cannot express in words how sad I am today for you and your family.

Tony was truly a great leader in business and in life. When working at Oldcastle, there was never a day where I did not look forward to working with him. His knowledge was second to none.

We shall miss him dearly, but will always remember him as well.

Sincerely,

Bob Jones
