“ *Mike and Melissa,*

Our deepest condolences on the passing of your Father. He was a true gentleman who truly loved his Family. He was a friend to all and always willing to lend a helping hand. Ed was thrilled to have Tony's help with several projects at our home. My Mom (Gloria) enjoyed many bus trips with Tony and visiting his Family in California. The world could use more people like your Dad.

Sincerely,

Joanne and Ed McDermott

Thank you for your kind words. My Dad was truly one on a million. I spoke with your Mom last week - we had a lovely conversation and shared many memories. I wanted to let her know that she was on my Dads mind the past few months; he missed her dearly. Again, thank you.

“ I am so sorry for your loss. Tony was the sweetest man. When my office got moved to Wolf Rd, I worked crazy hours and sometimes entered the building at all hours. Tony was concerned about me going in the empty building alone and gave me his phone number to call him whenever I had to be there off hours and he would check on me. I will never forget his kindness towards me. Thank you for being in my life and caring Tony. ❤️
