

Armand Rosario Marando

February 20, 1938 - September 7, 2024

Albany, NY-Armand Rosario Marando, 86 years old, a former employee with Bendix Corporation, and worked in Protective Services with St. Peter's Hospital, passed away peacefully on September 7, 2024, after a brief illness, surrounded by his loving family.

Armand was born in Ardore, Reggio Calabria, Italy on February 20, 1938. He was born to his parents Ferdinando and Maria Marando. He is predeceased by his brother Giuseppe.

He is survived by his wife Mary Lou Marando (Romano) of Albany, NY. He is also survived by his two sons, Joseph (Christine) and Michael. Also, his two granddaughters, Antonia Louise, and Giulianna Camille, whom he cherished very much.

Armand was 17 years old when he made the journey from Italy to New York City, and eventually Troy, NY, aboard the ship Cristoforo Colombo.

He took a job at the Bendix Corporation (later it became Honeywell) in Green Island, where he worked for 37 years. He was a member of Local UAW International.

Armand also proudly worked at St. Peter's Hospital in Albany in Protective

Services for 40 years. He loved this job, and he enjoyed talking to the many people he came across every day at the hospital.

He was the kindest, gentlest, and most humble man that you will ever meet. Many people will say that about their loved ones, but for Armand, he truly would be there for his family and friends any time they needed him.

He lived his life with decency, hard work, and always respecting and caring deeply for the people he loved. Those traits trickled down to his children, which helped them become the men they are today.

Armand was a loyal fan of the Dallas Cowboys. He was also a passionate Ferrari Formula One racing fan.

Armand was a member of the Italian American Community Center in Albany for over 40 years. There he was very active, cooking at various events, as well as a member of the Men's Bocce League.

The Marando family is eternally grateful to the nurses and medical staff of St. Peter's Hospital and St. Peter's Nursing and Rehabilitation Center, who were so kind to him in his last weeks.

“ *I would echo the other wonderful tributes left here - Armand was an angel on earth!*

When I was a graduate student, living near St Pete's, I occasionally needed a quiet place to study on weekends. Armand accommodated by opening the small medical library at the hospital. His gesture was often accompanied by long, intelligent conversations about all in the world; his friendliness served to lift my spirits.

Years later when I was settled, working, etc, and I'd be visiting the hospital for this or that, I was always happy if I could find Armand. We would have a good catch-up conversation about our respective lives. A true gentleman!

*Armand always seemed to be a bright, friendly star in the night sky!
May God bless him and his memory.*

“ Mr. Armand was a special person to my husband and me @ St. Peter's Hospital. My husband was quite ill at a very young age. I guess you would call us frequent flyers. My husband saw Mr. Armand more often than I did. My husband would enjoy his company as Mr. Armand did his rounds, he would take an extra minute to speak with my husband. On a few occasions, my husband worried that I was not ok after receiving some not so great news re: my husband. He asked Mr. Armand, when he would be working late some times to be sure when he saw the wife--me-- to say a couple of kind words. Mr.Armand did do what my husband requested as we spent many months @ SPH. After my husband's passing, if Mr. Armand saw me coming and going from the hospital--even for happy times, birth of grandchild, etc., he always would remember me and tell me my husband would be proud of me for being so devoted. Family was everything to Mr. Armand. Never did ask his full name--but seeing his picture brought back so many memories of his kindness to me. Also, he was so nice to so many people. He truly was an angel on earth and now one in Heaven. I will keep you, his family, in my thoughts and prayers. Thank you for sharing Mr. Armand with me and so many others who were @ SPH. With sympathy, one of the friends he helped .

“ My late husband and I were friends with Armand for more than 60 years. While not always in touch, Armand was true gentleman. When my husband was admitted to St. Peter's nine years ago, Armand made sure that all was taken care and visited everyday. Just last year, Armand was at the IACC pool, where I am a member with my daughter, what wonderful walk down memory lane. Mary Lou, Michael, Joseph and family, my deepest condolences on the loss of Armand. Cherish all of the family memories.

Armand was one of the most joyful people I think I've ever encountered in my life. As an RN walking in and out of St. Peter's Hospital every day, He welcomed every employee as they entered. That bright smile, the light in his eyes as he held the door open for you and said welcome back, Nice to see you again! He made us feel like we were walking down the red carpet instead of showing up for work. My grandmother ended up being a patient there for sometime and he was so kind to my mother whenever she visited. That was almost 20 years ago and Armand is one of the few people that still is a part of my heart. My condolences to his family as I'm sure his light will be missed.
