*To my very special cousin's family ( Joanne ) and children and all of The Picard's . The memories are forever, when we were kids with my Mom and Dad ( Mary D. Picard ) , this was a very loving cousin that no matter how long it had ever been since we had seen one another, cousin Art's genuine love and affection was still on point and so is mine right now until we meet again. Truly a wonderful man/cousin and fun friend from probably one of the nicest and most colourful Mother's - (Aunt Mary) and Father's - "Uncle Charlie" that a son - family could ever blessed with, They were all about Family' and Love! I always my whole life considered myself so fortunate when they would come to mind because every single memory always makes my heart smile. Love Prayers an Tears.To all my beautiful Picard family members. Love Tony Treffiletti .*

“ Karen and I had the opportunity to work with Artie for 10 years at AMH. He was the nicest guy and the best chef, always keeping our employees and patients in mind. I'm sure the hospital missed him when he retired. Our condolences to the family.

“ I'm sorry that I am unable to be with all my Picard relatives as you mourn the passing of Art. I have such fond memories of cousin Arts fine sense of humor and his ability to see the bright side of things. His bright light will be sorely missed.

“ Dear Mrs. Picard and family, I am sending you my love and prayers during this difficult time. I have very fond memories of Mr. Picard and my heart is sad knowing that he is dearly missed by so many. Praises that he is with our Lord and loving watching over his family. I pray that knowing you will see him again with our Lord can give you a sense of peace as you morn your loss. The sadness and pain do not go away, but they do soften a little and with the tears of sadness there can be tears of joy with loving, cherished memories. Again my love and prayer to you all.
