“ To Ashley's wife, Jennifer; his children; and my cousin, Whitney: Words cannot express how deeply saddened I am for the loss of your beloved Ashley. Ashley was my first cousin and I'm embarrassed to say that I did not do a very good job of keeping in touch. As I viewed the video, it warmed my heart to see what a wonderful man he had become. I hope and pray, and will continue to pray that you and all that loved him will find comfort and peace in the memories of the love and life that you shared with him.##imported-begin##Indrea Buckner##imported-end##

“ To the entire Griffin family, I am so lucky to have known Ashley. In high school we would ride our mopeds all over Geneseo and beyond. When we grew out of our mopeds and began driving I would often pick Ashley up for school. I couldn't think of a better friend to start the day with.
Please accept my sincerest sympathy.##imported-begin##Jeff Staley##imported-end##
