I'm so sorry to hear of Barbara's passing. I remember her mostly in her younger years when her dad was alive and we would get together at family gatherings. There's a few pictures that I can see the image of her dad and her smile.

We all have things to do in life and we all run through it until we stop. I wish I had taken more time to get to know her a little better.

She gave the most precious of commodities to people, and that was of time. We can never get that back and it's promised to no one. Rest in peace, my cousin.

May her memory be eternal
