“ I am so sorry to hear of Barb’s passing. I attended Bible Study with her 10 years ago at BLC and she was truly kind, generous and supportive of everyone in the Study. Her obituary was so true noting that she had a way of making people feel good about themselves. She will be missed!!

“ I remember the many years Barbara helped out all the employees of Albany Associates in Cardiology and Prime Care. She was efficient and kind and always willing to help out an employee regardless of the issue. She was very pleasant to work with and “old school” in dealing with what used to be called personnel issues. God bless her.
