*Nancy, Sue & Carol, I am so sorry to hear of your loss. Your mom was a wonderful person who put up with our shenanigans when we were young. She was there when my dad was having surgery, didn't tell my mom, and there was your mom in the operating room. She was there for him. Thank you to your mom. Unfortunately my dad had 2 strokes and dementia, he lives with us so I am unable to leave him. Wish I could be there for you.*

*Carol,  
My thoughts go out to you and our family during this rough time.*
