“ Christine and Family,

It is hard to lose someone you love, but even harder still when that person is your mother whose place no one can fill.

Always remember your time together and the joy it brought you and perhaps those thoughts will ease your pain and help to see you through this most difficult time. But when you feel lost, pause and look closely around you, somewhere, somehow, a "guardian angel" will be waiting to help you through this. Our prayers and thoughts are with you and your family. May your "mom" rest in peace in the arms of God.##imported-begin##John - Shirley-TJ-Jeff Valletta##imported-end##
