“ Kathleen, Mary Theresa, Maureen, Danny and family I'm so sorry to hear about your loss of your mom and wanted to give you my condolences. I will always remember your mom's smile and the way she would laugh. She as well as your father would always call me dobo when I would see them and it would always bring a smile to my face. I would see her at the hospital and she would always greet me with her big smile and ask what I was doing there and it was always comforting to see her there. She will truly be missed but, now she's back with your dad and other love ones and looking out for you all as she always has and may she rest in peace and always be in your hearts. Love ❤️ Robo
