“ *Paul and Family, I pray everyday for parents that lose a child. It is the hardest thing in life that we have to learn to accept, and, it never goes away. Blame seems to be what we seem to do. Comfort does not come easy, and I wish that I had some magic that I could pass on to you. We have to learn to keep our faith, and wait for the answers to come from the Lord. God bless you all.###imported-begin##Walt and RoseMary Spallane###imported-end##*

“ *I was lucky enough to grow up on Burden Lake iwth the Devane Clan. Brendan and I being the same age were naturally friends. We had so many great times as kids. As we got older he was still the same charming, warm hearted man he was as a boy. I know my Aunt Carol who loved Brendan so much was there to welcome him home.*

With a heavy heart

he will always be missed.
