“ I offer my sincere condolences to a very special lady that knew how to live life to the fullest. I worked with her at Jolie and I admired her ability to not only work with staff, but to welcome every client that walked through the doors. She was a dear friend and my memories will always stay close at heart. Her family and work meant the world to her. May she rest in peace!! God Bless her family as each of them were everything to her. I feel blessed that are paths had crossed.

“ Neil and I express our sincere condolences to the family of Bruna. She was a sweet, genuine and lovely woman. We met her at the salon she worked at and she took the time each time we were there to speak with us. We also found out she was a friend of one of our employees as well. A few times Bruna came by our store with home baked muffins for us and to see us and her friend. I also would call her on the phone and talk with her.
Our thoughts are with you all

“*Bruna worked with me as a volunteer when I ran the Thrift Shop at the American Italian Heritage Museum and of course we also attended social gatherings there as well. I always found her to be pleasant to be around and we sometimes lapsed into Italian to communicate reflecting on our heritage. She was a valued member of our Italian community and she will be missed. Please accept my condolences.*
