“ Who can say for certain
Maybe you're still here
I feel you all around me
Your memories so clear

Deep in the stillness
I can hear you speak
You're still an inspiration
Can it be (?)
That you are mine
Forever love
And you are watching over me from up above

Fly me up to where you are
Beyond the distant star
I wish upon tonight
To see you smile
If only for awhile to know you're there
A breath away's not far
To where you are

Are you gently sleeping
Here inside my dream
And isn't faith believing
All power can't be seen

As my heart holds you
Just one beat away
I cherish all you gave me everyday
Cause you are mine
Forever love
Watching me from up above

And I believe
That angels breathe
And that love will live on and never leave

*Fly me up
To where you are
Beyond the distant star
I wish upon tonight
To see you smile
If only for awhile
To know you are there
A breath away is not far
To where you are*

*I know you are there
A breath away is not far
To where you are##imported-begin##Uncle lee, Aunt Jen and Uncle

“ Bryan truly changed my life and made me a better person. Not only did he teach me how to be a stronger individual, but he also taught me what it meant to always be there for someone regardless the circumstances. I honestly have never met anyone like him. He was so understanding, compassionate, hard-working and smart. He truly gave meaning to the term unconditional love. I'll always remember the good times and countless laughs we shared. My thoughts and prayers are with his family in this time of deepest sorrow.##imported-begin##Kim Cleveland##imported-end##

“ Bryan was and will always be my best friend. The times we shared together were priceless! Bryan and I met each other in high school. No matter what was going on we always knew what each other were thinking, just as we were always there for each other. As we grew close I learned of a bond between friends that I had never known with anyone else!

The memory of Bryan will always remain in my heart, as will he. Bryan was a strong, intelligent, kind hearted man, that always thought of others. I pray that one day we will meet again in heaven, and continue our eternal friendship!##imported-begin##Russell Frost##imported-end##

“ Bryan was such a great guy. When I think of him I will remember all of the good times we had together. From going in the Lincoln navigator for prom to spending almost every night hanging out with him and John, I will never forget the fun we had together. He will always have a special place in my heart.##imported-begin##kristen meister##imported-end##

“ Bryan and I were really good friends in high school. We did everything together. Though over the years we lost touch, the terms "friends forver" still weigh heavy in my mind. Though i may not be able to express my deeepest sympathy, and celebrate the life of Bryan in person, my thoughts and prayers are always with you. Now he may to walk among the angels in the kingdom of heaven.##imported-begin##John Lombardo##imported-end##
