*I'm sorry to learn about your Mom's passing. This isn't an easy time for you but you are in my thoughts. I still think about my Mom just about every day - something will remind me or I will find myself using one of her old time expressions and I get a chuckle as now when I write this. I even wear one of her shirts she wore when she pulled weeds from her flowers. Take care of your self.

“ *I am so sorry. I remember Aunt Camille's smile the most. It seemed she was always happy whenever I saw her...always a laugh, always a little joke, always a warm welcome. I know she will be greatly missed by all who knew and loved her. My deepest sympathy....##imported-begin##Jessica Follett##imported-end##*

“ *So sorry to hear that Camille has gone on to her final resting place. She was always such a good support of various children's door to door selling and I would not want to even guess how many boxes of Girl Scout Cookies she bought from Christy!! We are unable to attend the funeral as we are away that day on a day trip, but please know you are in our thoughts and prayers.
