“ Neil and family,

I don't know where to begin because Carmela was such a special person and such a special part of my family. Her and your dad we're like family to us and so good to my parents especially when my dad got sick. I can't thank them enough for all the joy they brought to our lives and how they were always there whenever needed. The two kindest people I have ever met. Please know she's with your dad now and my parents and we have a bunch of angels watching over us. Rest in peace Carmela because your time on this earth is over and during that time you brought such happiness to so many. Neil you're in my thoughts and prayers at this difficult time. God bless.
