“ *Dear Kim, Dear Kathy, Dear Kelly,
Saying Good-bye to Tink, as she went on ahead, was a time of reflection on the great gift she was as a friend on our journeys through life, in times of great contentment and in the times of disappointments and difficulties. Tink's honest assessment of reality was in every instance a given, and seen by her as a foundation on which to create a plan to go forward, step by step, year by year. She was a dear companion, always a source of frank advice and warm support. Her strength was rooted in her deep and unsentimental tenderness, and her true love. She was a model of an enduring awareness that embraced all that really mattered, and she eased our life's challenges by observing them with a wise and wry humor. In all of this universe, in all of our lives, there was only one Tink, and we who knew her were touched by the Grace of Her, and know how lucky we are. Anne*

“ Dear Kim, Kathy and Kelly, you were your mom's life. The loss of one's mother is unparalleled and my heart is breaking for you. Soon that grief will turn into wonderful memories and knowing that she is no longer in pain or suffering. She always reminded me that I was her little flower girl and she was my Godmother. She will be missed by many. Cousin Lynne Beiermeister
