

Carol A. Sowalski

October 18, 1943 - December 29, 2020

And in the bedlam, there was always someone in charge . . . and it was mom.

On December 29, 2020 Carol A. Sowalski passed away at St. Peters Hospital after a brief bout with COVID.

Carol was the daughter of Nicholas and Mary Lanoue Polopolous. She was predeceased by her brothers and sisters Nicholas, Joyce, Robert and Laura Jean. She is survived and will be greatly missed by her brothers and sister Marion, Ralph and Richard. Carol is also predeceased by her loving husband William, daughter Joyce and granddaughter Kristina.

She will be greatly missed by her sons Mark and Raymond, their loving spouses and grandchildren, great grandchildren, nieces and nephews.

This is a small measure of the lives she affected. The family that she built was so much more. It was not unusual for Carol to show up at a friend's house with baked goods or dinner to support those in need, show appreciation for support given or just because it was the right thing to do.

She gave freely of herself and this is why her family is so much more than those mentioned above.

May she rest in peace in the eternal grace of the Lord in the company of those who have gone before her.

Services will be for family only and in lieu of flowers please make donations to the American Cancer Society, 1 Penny Lane, Latham NY 12110.

“ *My heart goes out to the Sowalski family. They have experienced more losses than any one family should have including this shocking one. Please accept my deepest condolences. Carol was a wonderful grandmother who always thought of her grandchildren. I know she will be deeply missed by them. Carol and Bill we're such a cute couple together. I know that they are in each other's arms again.*

“ *I will always cherish the laughter, meals, and, okay, the cocktails shared with with my sweet, funny, kind friend. I know she adored and took great pride in her family. Rest in peace surrounded by her loved ones. We now have a beautiful angel watching over us.*

“ Dear Family... My deepest sympathies to all.. What a beautiful soul she was. Her obituary says it all. A most caring, giving and comforting lady and I am happy to have known her as she was a neighbor and good friend to all who met her. I already miss her constant texts, which I shall save and reread, sharing my cats pictures with her, whom she absolutely adored ... May you rest in heavenly peace dearest Carol. You will be so deeply missed my dear friend, Love Pam Colello and feline, Domenica

“ Please accept my deep sympathy for the families loss of mother, grandmother friend and humanitarian. I knew Carol to be kind and compassionate in dealing with the many challenges life brought her. When she was young she was a good mother to her children, I knew Joyce and Kristina and know her grandson Matthew . She was loved. I recently prayed the rosary for her that our Merciful Lord come to her aid . Family please know she has a place in Heaven and May she rest in the light of our Lord and heavenly Peace

Didn't know her well. We lived in same community. She was friendly and had good sense of humor. Very sad news. Rip.

It was with deep sadness that I read of Carol' passing. We became friends many years ago. I remember how much her family meant to her and Bill. The love they showered on their family and how proud they were of you all. My thoughts and prayers go our to each of you at this most difficult and sad time.

With heartfelt sympathy,
Carol and Andrew Mayone
