“ So sorry to hear Carol has passed. She struggled for a long time. She is now pain free. Carol always had a sense of humor. Very thoughtful with small tokens of appreciation. Our family, the Hatfield’s at Amazin Glass, express our sincere sympathy to Carol’s family. She is now with her husband Dennis. RIP Carol.

“ Carol and Dennis lived below my grandparents on Judson Street when I was just a kid. We spent a lot of time at our grandparents and got to know and spend time with The Wagner’s. They were very good to us with parties, pizza and special treats. I am so sorry to hear of Carol’s passing (yes they insisted we call them by their first names). My thoughts and prayers are with her family and I wish for her, eternal peace.
