“ George, Kristina and Alex, as I reflect on my memories of Carole, I think of her family, I think of an absolutely beautiful person who always thought of others, especially her daughters and husband. George, I have fond memories of you and Carole back when we were in our 20's 30's and 40's. Kristina and Alex, I don't have to tell how giving and caring your mother was- she showed it every day in your lives. I also remember Carole's smile and laugh. She was so much fun to be around. Although this is a very difficult time in your lives right now, my wish to you is to hold every single memory of her in your hearts. Your hearts will remain full. Love. Carol Cornell

“ George, Kristina and Alex:
We are so sorry for your loss. Carole was such an amazing person. So thoughtful, caring and family oriented. Her face lit up when she talked about her girls. I looked forward to our get togethers. Girls weekends, shopping, lunches, Christmas cookie swap, our same group sitting together for many years at the installation banquets. So many memories. We will miss her very much.

“ George, Kristina, Alex and family,

It is with great sorrow that we extend our deepest sympathy to the whole Deyo family upon the passing of Carole.

We have only the most wonderful memories of her. She had the most beautiful smile, infectious laugh and she was such a wonderful person inside and out. We remember fondly all those school and travel softball practices, games and tournaments that we enjoyed together and watching her Alex and our Melissa grow up together as good friends.

Love you Carole!
