“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget.*

*Please accept our most sincere condolences##imported-begin##Martina, Lubo, Vicky & Samuel##imported-end##*

“ God saw you getting tired and a cure was not to be. So He put His arms around you and whispered "come to me." With tearful eyes we watched you, and saw you pass away. Although we loved you dearly, we could not make you stay. A precious heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, He only takes the best.

*I wish her soul rest in peace and send our heartfelt condolence to you and all other members of your family.##imported-begin##Olga & Vladimir MIKLOS##imported-end##*
