“ I'd like to thank all of the wonderful friends and family members who have already privately expressed so many kind words, thoughts and prayers for Mom. She had a great long life (92 years!) and was active and happy right up until she fell ill. I hope that we all will be lucky enough to live so long and so well. For those friends and family who will join us this Sunday evening, let us let laughter and smiles of fond memories brush away the tears, for even though we are sad, we gather to celebrate a life of happiness and good wishes for her journey ahead.

I wish Carol a good journey, as she had here in life. I am very grateful that Mark and Fran had her for so long and that her passing was fairly gentle- for her and for them. I wish all her family condolences- her brother and sister and grandson, as well, and that their sadness will turn to good memories in time..which heals all things...
