Tribute Wall

“ I often drive by St Peter’s cemetery and have seen you (his parents) at a grave site for over 10 years. I always thought it must be your son’s gravesite.... as the mother of two thirty something boys a parent’s grief is almost tangible, even from a distance. I always said prayers for you when I saw you there or sometimes even when you weren’t there . Today I visited the gravesite to confirm what my instincts told me as I am moving out of the area. I will continue to pray for you and pray that you feel your son’s spirit next to you from time to time.

“ With deepest sympathy. I hope you will be able to draw comfort from the scriptures during this time of sorrow. Psalms 34:18 assures us that God is near to those that are broken at heart and crushed in spirit he saves .Acts 24:15 gives up the resurrection hope.
