“ George, Kirsten, Catie, George Michael,

Our thoughts and prayers are with you during this difficult time.

I like to believe that when we lose someone close to us they still live through us and give us strength. The time we have spent with those we've lost makes them part of us.

Your wife and mother who loved and was loved very much was "a very special person" who will forever be with you in your hearts and memories.

May the love of those around you help you through the days ahead.##imported-begin##Love, Aunt June & Family##imported-end##
