“ to the family of Connie Corcoran,
I am so deeply sorry to learn of your dear Mother's passing. I used to sit in front of your mom at Mater Christi and simply loved to chat with her there. While we only knew each other for a short time, we became instant friends. Your Mother will remain in my heart as a most beautiful and precious friend. May You find Peace in knowing that Connie is truly in the presence and comfort of our God, whom she loved so much.

“ I enjoyed many great Sunday dinners at Connie's home. She always made me feel like part of the family. She loved her family and was pleased when everyone got together to share stories and laugh. She was a woman of faith which got her through some tough times. I will remember her warm smile and love of life. Kathy Hutson

“ Connie, I will miss you more than you know. I was privileged to be able to care for you over the last 3 years. You had your son and your granddaughters and me by your side. That is something we were so grateful to be able to do. I know the road was tuff these last and even harder the last 3 months, but I know you have been released of all your pain.

You have been received by God and you are with your loved ones. God bless you Connie. I will forever be blessed to have had you in my life and the lives of Amanda and Gabriella.

Love Michelle (aka Nurse Nelly)
