“ I shared a room in Haymaker Hall, Kansas State Univ with David in 68/69. Only one year as I did not have a plan for my future yet. David was a nice gentleman. Passed way to early. Sorry to find he is gone.

“ To family: May the words at Isaiah 25:8 bring you comfort during this difficult time " He will swallow up death forever, And the Sovereign Lord Jehovah will wipe away the tears from all face."

“ Sharing a childhood memory, Shaker farm trivia, or a hug during the 2008 fire...Dave was a neighbor who was always there. In many ways he continued the Shaker legacy: reaching out and helping those in need. He will be dearly missed.

“ David was a high school friend. It's sad that we did not keep up the friendship after he went away to college. I often think of him and remember his kindness to me when I moved here from Pittsburgh in our Sophomore year. His family is in my prayers.

“ Lois and I were roommates at K-State. Our friendship remained strong through the years and Dave will be missed by all that knew him. I know you have a hole in your heart, but with time it will slowly mend although Dave will never be forgotten. I know he and George are smiling on us now. My thought and prayers are with you all. Love and friendship,

“ I lived in Haymaker Hall and a house on 16th street at Kansas State with Dave. His decency and fairness were admirable. Later after many of us moved to Kansas City we enjoyed parties with the K-State group that had grown to include Lois and our wives. David Bol was a good man, everyone liked Dave, and to know Dave and Lois in our young lives was a blessing. Bob & Carol Mortimer
