“ *Dave- a Rutgers roommate and lifelong friend! You were a steadfast friend and willing co-conspirator to all worthy pranks and mayhem. Always the life of the party and the center of all laughter, follow the sound of laughter and you would find Dave. Though life's' problems may have followed you into a meeting with Dave, he had a gift of helping you let them go through kindness , reassurance and a wicked sense of humor. There will never be another Dave, you will be missed and see you on the other side pal!*

“ *We lost a very special and amazing person. Dave was one of the best, cream of the crop and I am so honored and happy to have become his friend, his cooking partner and assistant, and spend so much time together in NYC and the Hamptons. He was filled with passion for life and made being around him easy and always fun with a laugh but he was also a great listener and there for me when I needed a friend and confident. Dave will always hold a special place in my heart and my memories and he will be greatly missed.*
