“ *Ruth, Peque and Family,*

I have so many fond and wonderful memories of Dave. We were great friends all through high school as well as the time we spent together in Nantucket. When I think of Dave, I remember his laughter and the wonderful ability he had to make those around him laugh. I am glad that I was able to reconnect with him recently in his adult years. He was a big part of my life and I will never forget him. My love goes to you all during this difficult time.

“ Where would I be without David Henry? Certainly not where I am now, and I'm a better person as a result. David introduced me to Nantucket in the summer of 1989 and it opened up worlds to me that didn't exist in Albany. The ripple effect that resulted has helped shape my life. More importantly, David was my friend. Making me laugh when I wanted to cry. Where would I be without David Henry? The hard part is wondering what I'll do without David Henry.##imported-begin##Greg Flanagan##imported-end##

“ I want to wish my condolences to Dave's family, and especially Peque. I really enjoyed having Dave as a friend and classmate during the Doane Stuart years. The Class of 1980 is certainly weakened by his loss.

“ I send my condolences to Dave's family, especially his Mom, whom I remember with fondness during my time at Doane Stuart. I remember those days well, and Dave was a large part of my life then -- he was incredibly funny, hard-working, and a good friend. We hadn't been in touch for many years, but I will always be thankful for the time that we spent together as fellow students, because he enriched my life.##imported-begin##Dolores Bradley##imported-end##
