

Dennis Stephen Guyon

August 3, 1955 - June 13, 2024

Rensselaer, NY-Dennis Stephen Guyon, 68, passed away on June 13, 2024 while visiting family in Monroe, MI. He was born on August 3, 1955 in Albany, NY to the late Stanley and Julie Guyon.

A resident of East Greenbush, NY Dennis was a devoted husband to Lorraine Tremont Guyon, a proud father to Jessica (Aaron) Dougherty and Christopher Guyon, and a cherished Grampy to Henry and Cora Dougherty. He is also survived by his brother, Gary (Jean) Guyon, his brother-in-law David (Deb) Tremont, his nieces and nephews, Ashley (Brandon) Ballou, Michael (Morgan) Tremont, Stephanie King (Daniel F. Noriega), Daniel Tremont (Sarah Flexon), grand dogs Cookie Monster and Taylor, and a modest fleet of self-taught and expertly played instruments. He was happily enjoying retirement from his position as a Senior Communications Specialist with The Lighting Research Center at RPI.

Dennis had many passions, including the Beatles, classic cars, photography, engaging in charity and volunteer work, creating art and music with his friends and using his mechanical gifts to fix whatever was broken. He enjoyed baseball, especially when the Yankees won, as well as bowling and golf. He could be easily recognized as an integral, mustachioed member of the Church of St. Vincent de Paul music ministry in Albany, where he and his wife made music together for over 40 years. He took pride in his culinary skills,

particularly in making overly complicated charcuterie presentations for holiday get-togethers. His favorite thing, however, was to eat the bits of crusty burned sauce around a pan of chicken parm. Dennis was known for his dedication to his children's theatrical pursuits, often building sets, props, or running a soundboard.

The Funeral Mass celebrating the going forth of Dennis will be held July 13, 2024, at the Church of St. Vincent de Paul - 900 Madison Ave. Albany, NY 12208 at 11:00am. The funeral will be live streamed through the website (www.stvincentdepaulalbany.org) and will be available thereafter on YouTube at St.Vincent de Paul Albany.

Immediately following the Mass there will be a Celebration of Dennis' life with food and song in the Community Room/Parish Hall at the Church of St. Vincent de Paul. Please contact Lorraine at: lguyon@nycap.rr.com if you plan to join us.

“ Mrs. Guyon was my elementary school music teacher. She inspired me to be creative and made me see my passion which is music! I'm sure even though I never met Mr. Guyon he was a wonderful man and I'm sure inspired by music as well. A musical soul is always a kind soul at heart! I'm very sorry for the loss of your loved one. May he rest with grace and great tunes.... 🙏🙏🙏💙💙💙🎵🎵🎵

Sunday was my first mass without my D-man, and it was hard. He brought a spirit of love and enthusiasm wherever he went. His readings were always delivered with the passion of a man of God, and the style of a professional actor - always inspiring. His music, no matter which instrument he played, was always beyond expert into the realm of magic - always the right touch and the right feel for every song. He was my rock in the choir and I feel a little lost without him. He was a true friend, always lifting my spirits and making the world a more joyful place. If there's a band in heaven I know they are delighted to have him, but I will miss him forever.

Dennis was a dear friend, and a one-of-a-kind human. I love him so, and I'm holding the community of St. Vincents close in my heart, especially the choir. He always had a big hug, heartfelt & joyful music, and kind words to share. We traded funky socks at Christmas mass. I miss him dearly, and my heart is heavy with this loss. I am carrying him with me as I renew my promise to live a life he'd be proud of.

*All my love to Lorraine & the family. I am with you. <3

Lorraine, Jess, Chris and extended family. I am so very heartbroken, shocked and sad for all of you. Dennis was a treasure and I enjoyed him as well as the entire Guyon family during my years of teaching and directing the musicals. Dennis went above and beyond whenever and wherever help was needed. Dennis was a sweet, witty and caring man who will be sorely missed with loving memories held dear. 💔😭🎵🙏

Lorraine.... We were so saddened to hear about Dennis. I know that our family has never been great at keeping close touch, but it was always a joy when we would run into you guys playing at marketplaces and festivals and spend a little time catching up. Dennis always had that welcoming smile and you two were just so together. Our hearts and prayers are with all of you. Love Jim and Mary Truss

Dennis....thanks for everything you did for me...and your patience. I looked up to you. "Lucky Man" was my nick name for you, But I know luck was only a small part of the way you lived and experienced your life. That name was inspired by your beautiful and gracious wife. I am truly going to miss you, my friend. I will think of you pickin and singin with the Heavenly guitar pull. I love you...JD

*May God Console the family during this difficult period. Dennis will be missed and remembered because he was very special and loving to me during the time spent with him and his wife. He opened his hands and heart to me-his African neighbor from the day he met me. He stated his home was opened to me when I needed to find a safe space to laugh, cry or a shoulder to lean on.
May his soul rest in perfect peace, Amen...*
